Continuation of 5. does NOT place the application in condition for allowance because: Arguments are not persuasive. It is respectfully pointed out that examples exist in the prior art wherein a liquid crystal display panel is considered to comprise a light guide. Examiner must interpret claims as broadly written such that the display panel of Masuda comprising a light guide reads on said claims as broadly written. Limitations may be added to overcome the references as presently applied, but such limitations will require further consideration and search.
